Dear Josh,

During the first half of May I shall be at Cornell from the 1st to the 4th and at Yale on the 9th. We will be moving to Cold Spring Harbor about the 15th. In the second half of May the only engagement is on the 25th. If it were convenient for you, perhaps the period between the 10th and the 15th of May would suit me better than the second half of the month.

I shall see Luria at Cold Spring Harbor and Levinthal at Ann Arbor in July on my way to work with Dulbecco. This leaves only Bloomington as a must. I wonder whether a visit to you and Bloomington (both Sonneborn and Muller) can be arranged as a tour. I am not clear at all about the transport position. Much obliged if you could act as impresario as you suggested.

It is very kind of you to offer hospitality. Looking forward to seeing you.

Yours sincerely,

G. Pontecorvo
